

QUICK INDEX TO WYOMING STATUTES ANNOTATED

Compiled by

Kathleen B. Carlson, J.D., M.L.S.  
Wyoming State Law Librarian

Revised June 2011  
Reflecting the 6st Legislative General Session

INCLUDES STATUTORY REFERENCES TO STATE AGENCIES

IN ACCORDANCE WITH THE AMERICANS WITH DISABILITIES ACT, ALTERNATIVE  
FORMATS WILL BE MADE AVAILABLE UPON REQUEST FOR INDIVIDUALS WITH  
DISABILITIES.

This Quick Index has been designed to help locate broad areas of the law rather than individual statutes, however, in certain instances, where it was deemed that a particular statute was one that might be requested often, a citation to an individual statute has been provided. This form was chosen because it will provide guidance to both the professional attorney who can determine the statutes needed by the Table of Contents to the Chapters and to the layperson who must examine all of the provisions dealing with a particular topic to determine all applicable sections.

The Wyoming Constitution may be found in Volume 1 of the Wyoming Annotated Code or online at:

<http://legisweb.state.wy.us/statutes/statutes.aspx>

Volume 1 of the Wyoming Statutes Annotated also contains copies of the following materials which have **NOT** been indexed:

1. The United States Constitution (Indexed in Other Sources)
2. The Declaration of Independence
3. The Magna Charta
4. The Organic Act (An Act to provide a Temporary Government for the Territory of Wyoming), 15 Stat. 178 (1868)
5. The Act of Admission (An Act to provide for the Admission of the State of Wyoming into the Union, and for Other Purposes), 26 Stat. 222 (1890)

The Wyoming Court Rules may be found in the Wyoming Court Rules Volume of the Wyoming Annotated Code or online at:
