

Incarcerated Parent Checklist

- Details needed about the parent – what is status, what is charge or conviction and does it relate to the family in some way, expected out date, ICWA, relatives
- Contact issues – letters, calls, visits – should they occur and then practical details - monitoring, transportation, payment
- Interaction with the court – does parent get counsel and can they come to court or see/hear court – how should counsel for the parent conduct themselves?
- Services – brought to the facility or the ones at the facility, impact of length of sentence and permanency for the child, permanency options
