Re: Supplement to letters dated March 17 & 27, 2020, and April 3, 2020 – which can be found at <https://www.courts.state.wy.us/coronavirus-covid-19-updates/> + Fremont County

Dear Fremont County Bar Association Members & Local Attorneys,

During these unprecedented times the District Court remains committed to protecting the health and safety of our community. Therefore, consistent with the April 30, 2020, Order of the Wyoming Supreme Court, except for a few exceptions, all “in-person” proceedings in District Court will remain suspended through at least May 31, 2020. In order to ensure that access to the court is afforded to all citizens, the court will continue to be as flexible and responsive as possible. To help accomplish this, the court has and will continue to conduct hearings through video or telephone conferencing using Microsoft Teams - by which nearly one hundred hours of hearings have been held since mid-March. If necessary, any “in-person” hearings will be conducted in accordance with current health and safety recommendations provided by the Wyoming Department of Health and the CDC. Finally, as detailed in prior letters, the court will continue to allow parties to file pleadings by: emailing a PDF document followed by an original; faxing a document followed by an original; mail; or in person, by appointment with the Clerk of District Court - by which hundreds of filings have occurred since mid-March.

Once again, I would like to thank all of you, as well as your office staff, for your hard work, dedication, collegiality, and increased efforts during these difficult times. Please be safe. Take care of yourself and your families.

Thanks,
