TEMPORARY GENERAL ORDER REGARDING APPEARANCE
IN THIS COURT FOR IN-PERSON HEARINGS

The Court has previously issued two temporary Orders regarding local practices, procedure and protocols in response to the COVID-19 Coronavirus and they remain in effect. This Order is provided to clarify how this Court will handle in-person hearings for matters pertaining to Family Violence, Stalking and Sexual Assault Protection Orders. When an in-person hearing is scheduled the following procedures will be followed:

1. Access to the Courtroom is limited to the parties, their attorneys, parents of minors and advocates from Fremont County Alliance.
2. Parties must provide a witness list to the Court no later than 24 hours before the hearing including a telephone number and email address if the witness will be appearing by telephone or video. Witnesses will not be allowed to enter the building until they are called to testify. Court security will grant them access as each witness is called.
3. All participants at the hearing shall wear CDC approved cloth masks for the hearing. Masks will not be provided by the Court. If an individual does not have a mask, they will not be allowed in the building. Such denial of access will not be considered grounds for delaying the hearing.
4. The Court will use the Microsoft TEAMS platform for all video appearances. Participants are responsible for downloading the software or app and providing their own devices that are video/audio capable.
