Please identify measures your courthouse is implementing in each of the following categories:
(Please refer to the Covid-19 Reopening Guidelines for guidance)

Scheduling
(All judges conducting business in the courthouse should coordinate their schedules to minimize the number of people appearing for proceedings at one time. Examples include regular virtual meetings among judges to discuss schedules, calendar sharing, coordination between judicial assistants, etc.)

The District and Circuit Courts will balance the need for in person hearings with the benefits of video and teleconference hearings. While balancing those factors and receiving input from the litigant, the Court will continue to schedule and conduct as many court hearings via video or teleconference as possible.

The District and Circuit Courts will conduct scheduling conferences by teleconference or video, except in unusual circumstances that necessitate in person conferences.

The District and Circuit Courts will provide notice in all scheduling orders that any vulnerable population members may request to appear via video or teleconference upon request. If that is not appropriate the matter will be continued or accommodations made.

The District Court does not typically schedule any proceedings on Mondays and Wednesdays in Evanston. The Circuit Court, when it determines an in person hearing is necessary, will attempt to schedule those hearings on Mondays and Wednesdays, if reasonably possible. The Courts will work together to minimize the scheduling of in-person hearings in the Courts at the same time.

Social Distancing

Covid-19 Operating Plan

Among Court Staff

(e.g. Staggered work shifts, plexiglass at clerk's window, seating arranged 6' apart, etc.)

Both Court Staffs shall continue to social distance (minimum of six feet).

Judge's Chambers of both shall remain closed to the public/attorneys until further notice.

The Clerk of the District Court now has Plexiglass sneeze guards installed and when the Clerk allows the public to enter their office the sneeze guard will protect the Court staff from undue exposure. The Clerk of the Circuit Court has a Plexiglass barrier at the counter to protect staff from undue exposure.

Among Public

(e.g. Remote check-ins and scheduled arrival times, floor markers and signage indicating 6' of distance, one-way traffic flow markers, seating arranged 6' apart, etc.)

Notices will be posted on the District and Circuit Courtroom doors with instructions that anyone entering the Courtroom must maintain social distancing of at least six (6) feet; must sanitize hands before entering the Courtroom, and are required to wear face covering. The chairs in the District Courtroom are marked with places to sit that are six (6) feet apart. No one other than persons essential for each specific hearing will be allowed in the District Courtroom. Attorneys shall maintain proper social distance at the counsel tables and shall wear face coverings while in the Courtroom.

The chairs in the Circuit Courtroom have been removed with the remaining chairs six (6) feet apart. No one other than persons essential for each specific hearing will be allowed in the Circuit Courtroom. Attorneys shall maintain proper social distance at the counsel tables and shall wear face coverings while in the Courtroom

The Courts are excluding the general public from all hearings that must be held in person and will make video or teleconference listening available to the general public upon request.

Hygiene

(e.g. hand sanitizer and Kleenex dispersed throughout courthouse, handwashing flyers posted near all faucets, hand soap readily available near all faucets, sneezing and coughing etiquette flyers posted throughout courthouse)

The District and Circuit Courtrooms will have hand sanitizer available near the entrance. Notice will be posted directing persons that they must sanitize their hands before entering the Courtrooms. The Courtrooms will be cleaned in the areas used after each in-person hearing. The Courtrooms will be thoroughly cleaned each night. Signs will be posted notifying the public of the location of the restrooms.

Covid-19 Operating Plan

Screening

(e.g. Flyers posted outside courthouse directing individuals with Covid-19 symptoms not to enter, temperature checks of all individuals entering courthouse)

The District and Circuit Courts shall post notices that persons experiencing symptoms of COVID-19, including cough, shortness of breath, sore throat, headache, chills, repeated shaking with chills, muscle pain and/or a new loss of taste or smell, may not enter the Courtroom. Those parties will be provided directions to make alternate arrangements to appear via video or teleconference as allowed by law.

Vulnerable Populations

(e.g. allow remote appearances by attorneys and litigants who fall into at-risk categories whenever possible, if at-risk individuals must attend in-person proceedings the court should make every effort to schedule such appearances at times when there are few other individuals in the courthouse)

The District and Circuit Courts will post notice that members of vulnerable populations should not enter the Courtroom and be provided directions to make alternate arrangements to appear via video or teleconference as allowed by law.

Face Coverings

(e.g. supplying court staff with face coverings, requiring face coverings in all public areas of the courthouse)

All persons entering the District and Circuit Courts shall wear a face covering at all times.

Cleaning

Covid-19 Operating Plan

(e.g. creating a schedule of regular cleanings of courtrooms, bathrooms, and other public areas; send court staff regular reminders to sanitize commonly touched surfaces such as keyboards, phones, and door handles)

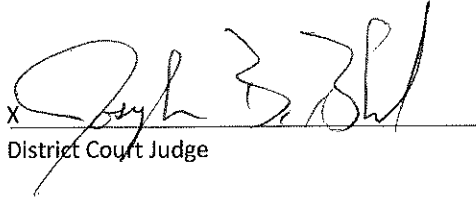

The Courtrooms will be cleaned in the areas used after each in-person hearing. The Courtrooms will be thoroughly cleaned each day.
